Greenwich Village Apartments, Lambert Lind Highway, Warwick, Rhode Island.

Elena,

I miss the weekly meetings! You were a *great* relief to talk to! I also liked it that you were from another country/countries.

I wasn't used to a Winter here. Ack! 25 degrees, OK. But below that...ug. And a Trump presidency. It's like having a curse, hahaa.

Pontiac Mills:

The mills produced the original [Fruit of the Loom](#) brand of cloth...strikes in 1922.

The photos below...

Local church about a 10 minute walk away:

Entrance road and front of building. 2nd floor window: a Christmas tree...*March 5, 2025!!*

Hang-out area. Nice big rocks in the back:

Front of the building. Main road on the right:

Panorama from the 5th floor. Pontiac Mills smoke stack in the background. Pawtuxet River between.

Heading toward the entrance of this place. Interesting bushes.:

Entrance to where I am. Up ahead there are 2 malls on the left and old Pontiac Mills on the right:

Opposite direction:

Local store. I certainly could use a Fitness Pod and Halotherapy and...a **Brain Tap**:

A credit union with a skeleton. Halloween. Note the cemetery on the other side of the street:

Pontiac Mills/Pawtuxet River. Store carriage in the water:

Cemetery and church:

Pink trees outside my window on 1st floor. New guitar and audio recorder:
